

# PIONEER POST

VOLUME IX NUMBER 16

FORT PIERCE, FLORIDA

APRIL 16, 1969

## MR. & MRS. IRJC

Mr IRJC Roger Law and Miss IRJC Joyce Summerlin

### Spring Formal

It could have been a disappointment to those anticipating the much talked about original Drifters, but to Mr. and Miss I.R.J.C., Roger Law and Joyce Summerlin, it was an evening of unexpected delight. Roger described this honor as the "highest a student at IRJC could possibly receive."

Due to the illness of one of the members of the Drifters, a last minute change of plans resulted. The replacements, "To Be Sure", Rufus Thomas with his ribald humor, and Barbara Lewis singing such greats as "Baby, I'm Yours", made for a perhaps even more successful evening. Two hundred students formally clad in batik tux's and flowing gowns danced to the ear-thrilling music of both Ron and the Starfires and Soul, Inc.

Congratulations to Activities Chairman, Pam Brown, and her staff for a memorable evening and "That Touch of Spring".

### MUSIC

by Jane Coleman

The I.R.J.C. Chorale under the direction of L. L. Maser, will sing for the Baccalaureate Service on May 4, 1969. The Chorale will present a program of religious music beginning at 7:30 p. m.

Selections include: The Hallelujah Chorus from the Mount of Olives by Beethoven. Gloria from the 12th Mass by Mozart.

The Brass Ensemble will present a program beginning at 7:30 for the Graduation Ceremony on May 5, 1969.

### Phi Theta Kappa Installation Tea

The Nu Iota Chapter of PHI THETA KAPPA, National Honorary Fraternity, will hold its induction tea in the Student Center from 3 p.m. to 5 p.m. on Sunday, April 20. The Induction Tea is an annual Spring affair and IRJC students and community residents are invited to attend.

Mrs. Helen Keller, Faculty Advisor to the Fraternity, has announced that Mrs. Dixie Gentry is serving as chairman of the refreshment committee and is being assisted by Miss Judy Joyner. Freshmen girls who are on the Dean's list will both usher and serve at the ceremony.

In order to be "tapped" for Phi Theta Kappa, a student must maintain an academic average of 3.0 average for three consecutive semesters (excluding summer terms) and must be highly recommended in all areas of both academic and college-community.

Approximately 18 IRJC students will be inducted on April 20th. A student's official transcript will be stamped by the Registrar's office to show this signal honor and on graduation evening each fraternity member will wear a gold tassel symbolizing scholarship.

### FREE MONEY \$

IRJC BOOK STORE WILL BUY BACK YOUR USED BOOKS APRIL 16 TO MAY 15. THOSE BOOKS NOT BOUGHT BACK BY THE BOOK STORE MAY BE SOLD TO A REP OF THE FOLLETT BOOK CO. ON APRIL 29 AND APRIL 30. GET CASH FOR THOSE UNUSED TEXT BOOKS.

JAMES CREWS and SUSAN WILMAS from THE C. C. C. PRODUCTION "The Crucible"

### CRUCIBLE

#### Opens Thurs thru Sat

As its final presentation of the 68-69 year the IRJC Theatre Workshop will open with Arthur Miller's THE CRUCIBLE . . . tomorrow night, April 17. The play will run for three nights... Thursday, Friday and Saturday evenings in the Student Center, "Studio Theatre" on campus. Curtain time is 8:30.

Miller's play is the frightening story of the Salem witch hunts in late seventeenth century America when the "accusing finger" was pointed first at this one then at that one and the cry was frenzied, "She is a witch! She is a witch! She is a witch!" The jails were filled with the accused and the hangman's noose was repeatedly tightened. It is a thought-provoking story... more horrifying because it is based on an historically true incident.

Written in the early 1950's, the play was used by Playwright Miller to point out what he considered to be a parallel in twentieth century United States. In his introductory notes, he stated "The Salem tragedy developed from a paradox. It is a paradox in whose grip we still live, and there is no prospect yet that we will discover its resolution. Simply, it was this; for good purpose, even high purposes, the people of Salem developed a theocracy, a combine of state and religious power whose function was to keep the community together, and to prevent any kind of disunity that might open it to destruction by material or ideological enemies. The witch hunt was a perverse manifestation of the panic which set in among all classes when the balance began to turn toward greater individual "freedom."

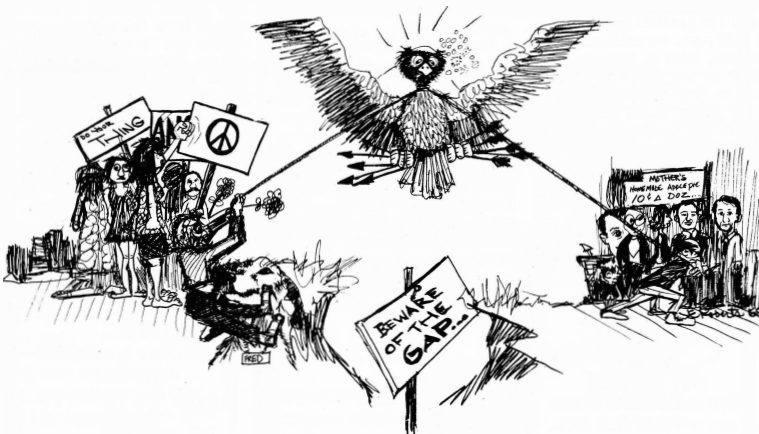

Featured in the cast are college actors well-known to area

audiences and others who are making their first appearance on the campus stage. Reverend Paris, righteous and self-important, who finds his daughter and niece "sporting" by night in the woods, is played by Wendell Collins. Diane Wood is the Barbados servant who becomes both accused and accuser.

"Children" of Salem who scream out the names of "witches" in a mass hysteria are Linda Wilson, Linda Futch, Luana Kirts, Linda Summerlin and Joyce Summerlin. Susan Wilmas as Elizabeth Proctor and Jane Coleman as Rebecca Nurse are accused. Simple-minded Goody Goode, played by Ann Sample is accused! John Proctor played by Jim Crews, Giles Corey played by Bob Burney and Francis Nurse played by Cris Borchers themselves come under attack when they defend their wives, Mr. and Mrs. Thomas Putnam, played by Corlaine Collins and Shawn Conant, are intent on blaming witches for their personal sorrows. Reverend Hale, played by Paul Kohler, comes to Salem as the authority on unnatural causes. Judges Bruce Glasky and Ben Rawls with Marshalls Dale Trevelner and Ben Price adhere to the strict edicts of the high court of 17th century Salem.

The production crew responsible for technical affects and front-of-house duties includes Don Hulick, Chris Borchers and John Wilson (front-of-house); Sagemanagers Bernard Stallard and Bob Burney; Soundman Donald Burk and Lightman Hal Horn.

Tickets are now on sale at the Theatre Office, Fine Arts Building, and will be on sale at the box office directly prior to performance times. Student fees are 75¢ others \$1.50. Special rates are available for groups of ten or more.

## EDITORIAL

### The Junior College

Stepping stone? Refuge pathway? Maze? How would you describe it? A junior college is too many things to pinpoint, but it may solve or has solved problems for you, the student, in your quest for an education. Whether your goal is academic, vocational or technical the door is open.

The necessity for knowing in what direction we are going is something we may all feel -- but do we always realize it soon enough? In a junior college, as in daily life, a student may think and act as if today were all that mattered -- but a student also has the opportunity to plan for an education that will serve his future professional needs. This chance is unique to a junior college student! He is not subject to the hurried pace of a four year institution.

How many times has it been said that it would be good to get away from home -- "out on your own"? From this point of view, the junior college becomes truly valuable. Many students do not have the financial stability to get out on their own, buy food, pay rent or even pay tuition in a large college or university. Studies are easier to do in the quiet of home -- with less strain -- than in a dormitory.

Moreover, another favorable contribution that the junior college has to offer is that of improving the immediate community. A junior college, being what it is, is able to give a student

the training in technical and vocational work with which he can return to employment in the community immediately upon graduation from course work at the junior college. With this specialized training the student is as qualified as if he had a four year degree -- sometimes more qualified than the four-year dropout who tries to get a like job, disgruntled and unprepared. With today's pressures for an education and social-economic success there is much to be realized in this comparison.

Since the 1940's and the Bomb, the pace has quickened and the race for a "higher education" has been the result. The junior college is the answer to fulfilling the needs of industry. With this means America faces a devastating depression -- a depression of skilled and qualified laborers.

This is the WHY of junior colleges. The HOW depends on you, the student, the taxpayer, the local government, and the administration of these valuable schools. The support must come from everyone. A four year education may not be necessary. A student can find much satisfaction and thorough specialized education with his AA and AS Degree. The fields of Cytronics and Television Electronics are as demanding and rewarding to a student interested in them as Bio Chemistry and Space Technology. The junior college has the time, it has the programs, and from its doors you can walk successfully into the business world.

Virginia Crist, Jim Sowinski, Mary Pitts, Ken Cramer

Pam Brown, Roger Law, Alan Hilburn, Joyce Summerlin

## What is a Learning Lab?

by JOHN GABOURY

Teachers at I.R.J.C. are now given the tools to construct a course structure which will permit the student to engage in activities which contribute to the learning process. The students are obligated to perform these activities conscientiously.

By use of multi-media, the learning lab provides a variety of ways for covering given subject matter. This is a multi-sensory approach to learning which utilizes audio tapes, video tapes, texts, manuals, films, and synchronized slide presentations. Once a week Students meet with the instructor to discuss problems or to use outside resources such as a guest speaker.

The audio-tutorial section of the learning lab provides the student with the opportunity to proceed at his own pace. The greatest asset seems to be the responsibility given to the student.

IRJC has put an audio-tutorial system to use, through the efforts of such teachers as Mr. Webb, Department of History, and Mr. Swank, Department of Speech, and the cooperation of Media Service. Students are presented with learning units in the appropriate subject matter and the system appears to be working very well.

In the coming year, the capacity of the learning lab will be increased two fold. With this progress, a new world of learning will be available to the students at IRJC.

## NOTICE IT HAPPENED IN SALEM ???? NOW HERE

## Crucible April 17, 18, 19, ART SHOW

The paintings of Leslie Szakacs will be seen in a one man show at the St. Lucie Country Club Convention Hall from April 1 to April 30 from 8:00 a.m. to 4:30 p.m., seven days a week. Szakacs, born in Hungary, educated at the academy of Fine Arts in Budapest is an employee of Indian River Junior College in the Media Services Department. He has had a long series of exhibits both in Europe and America. His most recent efforts have been in capturing Seminole Indian life on canvas.

The PIONEER POST is the official semi-monthly news publication of Indian River Junior College, Fort Pierce, Florida. The POST is written and produced by the journalism students of Indian River Junior College and is printed by the FORT PIERCE PRESS, Fort Pierce, Florida. Offices of the PIONEER POST are located on the college campus, 3209 Virginia Avenue.

## The Question: Interviewer: Don Hulick

"IF YOU WERE APPOINTED PRESIDENT  
OF IRJC, WHAT WOULD BE THE FIRST

CHANGE YOU WOULD MAKE?"

I would like to give the students a little more say in making school policy decisions, and inject a little organization into Media Services.

Ruth Weinmann

I would combine the faculty lounge and the student center to create better teacher-student relations.

Bruce Glasky

I would consolidate many of the administrative positions, thus enabling more money to be invested in badly needed facilities.

Hal Horn

I would delegate more authority to the other administrators and faculty.

Bill Salmons

## SUMMER SCHEDULE NEWS

Class schedules are now available at the Guidance Office and the Office of the Registrar. Students planning to graduate at the end of either term must have their schedule checked by the Guidance Office PRIOR to submission to the Registrar. Other students may schedule classes on a first come, first serve basis, at the Office of the Registrar. It is recommended that students check as early as possible.

## COSMETOLOGY

Florida State Law requires that cosmetology students complete 200 hours of training prior to working on customers. At Indian River Junior College 380 hours must be completed by the cosmetology students before they begin working on customers. Most of these students have jobs waiting for them as soon as they complete the program.

For those who wish to utilize the services of the Cosmetology Department, phone 464-0552 for an appointment.

Services offered are: Shampoo and Set (Styling), Hair Cutting and Thinning, Eyebrow Styling, Facials and Make-up, Hair Removal, Consultation for minor facial problems, Cold Waving, Scalp and Hair Treatments, Wig Styling (Cleaning and Cutting), Lash and Brow Dye, Manicures, Pedicures, Hair Coloring, Chemical Hair Straightening, and Hot Comb Straightening.

I think I would set up some kind of faculty evaluation program. After all, we are paying for a quality education and we should be assured of quality instructors.

Jay Rigdon

I would try to get in touch with other colleges and find out the system they use for communicating with the students.

Bill Thompson

I would build the institution in a student oriented fashion rather than for the sake of building a large institution.

Bill Hogan

The Freshmen parking lot would be paved before the next monsoon season broke out.

Jerzy Lusig

CLUB NEWS

KAPPA SIGMA TAU wishes to congratulate Miss Joyce Summerlin for winning the title of Miss I.R.J.C. She was crowned at the spring formal April 5.

Members of Kappa Sigma Tau went to Pirate's World on Friday, April 10. Everyone enjoyed themselves there.

Congratulations to the following officers, who will take office for the school year 69-70. They are as follows:

- President-Sharon Baker
Vice - President
Linda Summerlin
Secretary-Carolyn Adams
Treasurer - Carole Carrington
Sgt. at Arms - Alma Long
Publicity Chairman - Zelia Moore

On April 12, KET's gave a dance in honor of the baseball team with the Agency providing the music. It was held in the Gym and was KET's last function of the year.

On April 11, the KET's took dates and went to Pirate's Wor-

ld for an evening. The event was to celebrate the end of the year for most and the end of two years of hard work for the graduating members.

On April 13, the Banana Splits invited Chi Alpha to a cookout at Paula Pipes'. The sisters, pledges, and their dates were provided with a delicious array of food. Horseback riding was the main feature of entertainment.

TKL invited Chi Alpha to a cocktail party before the formal. As a thank you for all TKL has done for us this semester, we gave them an Easter cake. Immediately following the Spring Formal, Mary Pitts gave a breakfast for all the sisters and pledges who had attended the formal.

Some of the plans for the near future are the informal initiation on April 19 and a trip to Jonathan Dickenson State Park for the

sisters, pledges and their dates on April 20.

Zeta Phi Sigma held election last week for the fall semester. Alan Fauffmann was elected President, and Rick Lewis took the position of Vice-President. Rick Mishaw was re-elected secretary for the third consecutive semester and Zeta Phi Sigma's new treasurer is Tom Kauffmann. Joe Daniels was re-elected Parliamentarian, and Joe Babski is the new Chaplin. Others elected to positions were: Ed Grove-Historian; Rod Douglas - Omicron; Terry Koukos - I.O.C. Representative; and Alan Miller as Alternate. Zeta Phi Sigma's mascot is Sampson, and it is reported that he has already taken the position.

Zeta Phi Sigma has volunteered to help with a special luncheon to be held Sunday, April 13 in the library. Several top dignitaries will be on hand and it should prove to be worthwhile.

April ACTIVITIES:

- APRIL 17 Dr. Herman Heise guest speaker for the Vero Beach Kiwanis Club - Riviera Restaurant at noon.
APRIL 17 18 & 19 CRUCIBLE . . . Student Center "Studio Theatre" . . . 8:30 Curtain . . .
APRIL 21 Pre-registration for Fall semester ends.
APRIL 22 Third Annual Awards Day Assembly - Gymnasium - 1:15 p. m.
APRIL 25 Semester Exams - End of semester.
APRIL 25 Nursing graduates dinner - Tropical Acres Restaurant - 7:30 p. m.
APRIL 28 Dr. Heise guest speaker at Fort Pierce Business and Professional Women's Club - annual scholarship program - Simonsen's at 7:00 p. m.

FICKLE FINGER

To Coach Floyd --- an edition of the fundamentals of swimming and a pair of water lungs.
To Mr. Sykes --- 20 dozen muzzles to be issued at the door of the library, and a gold bound edition of Great Athletes of Our Time.
To Dr. Heise --- a pair of rose tinted glasses to enhance a rosier outlook on our already beautiful campus.

To Dean Sample --- a protest sign that proclaims SHORT HAIR IS NEAT AND DISCREET.

To Mr. Bowen --- a part time job of filling holes in the Freshman parking lot.

To the Guidance Department --- Three straight jackets and a pair of hand cuffs.

To all of Mr. Maser's students --- ear plugs for test periods.

To Mr. Ravoria --- a gallon of red paint in hopes that the Administration will be liberal enough to let him use it as he sees fit.

To Zeta Phi Sigma --- a case of Thunderbird wine and a place to hide.

To Tri Kappa Lambda --- Two dozen fake IDs.

To Media Services --- two dozen signs "Display Purposes Only."

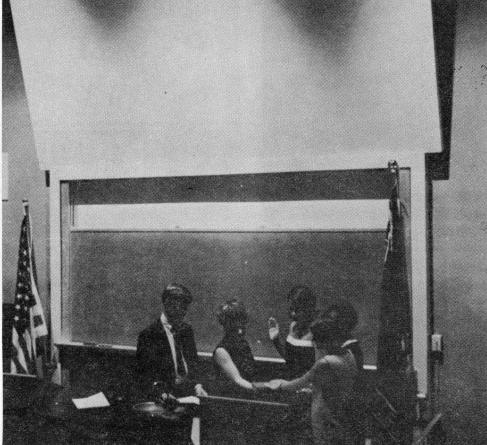

MUSIC

Scholarship

On April 8, 1969, Mr. and Mrs. Frederick Feibel of Vero Beach presented the "Feibel Music Scholarship Fund" to Dean Charles W. Sample of Indian River Junior College. This Fund, in the amount of \$2500 was conveyed to the Junior College so that the net annual income from the Fund, not to exceed one hundred dollars a year, will be awarded to a worthy boy or girl high school graduate with good scholastic ability who majors in music or music education at the college.

Dean Sample, commenting on this gift, said, "It is the people like the Feibels who add so much to the total operation of the community college. Since we are a public institution, supported by the state, we do not have the extras that are so often needed to help worthy young citizens to pursue their education. The Feibel gift and several others like it that we have received often make the difference in whether or not a very capable young man or woman can pursue a career which befits their talents."

"If any other civic-minded citizen would like to participate in such programs to help our young people fulfill their potential, please contact me at the college and I will be happy to help you work out the details. It is almost impossible to find the words to express the gratitude of the college and the young people who benefit from these funds, such as the Feibels have just donated. to their community college.

New officers being sworn in.

BOARD & ROOM - The Shamrock Village at Fort Pierce is now accepting students for room and board privileges. Prices appear to be reasonable. If interested, contact Mr. Ellis McKissick at Hoyt C. Murphy Real Estate, U. S. 1, Fort Pierce, Fla.

by Chris Borchers

## BASKETBALL

Basketball, Coach Art Tolis said today that he is in the process of signing Walter Simmons 1969 "ALL METRO PLAYER" of Washington, D. C. for this fall season. The 6'6" former center averaged 18 points p/g with 14 rebounds. He will graduate this June from Gwynn Park Sr. High, Brandywine, Md., and is planning to continue his major in Art.

## INTRAMURALS

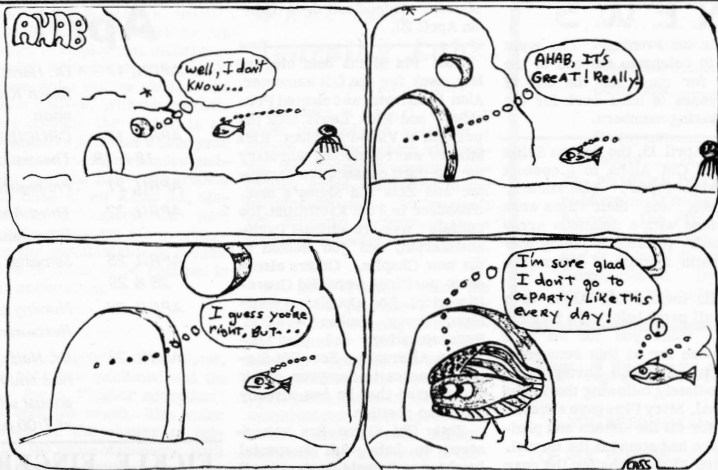

## ARCHERY TOURNEY

IRJC will enter an archery team, led by Paul Cornille, in the State Intramural Archery Tournament on Saturday, April 26. The tourney will be held at Brevard Junior College and will begin at 10:00 a. m. Anyone interested may join in the competition.

## INTRAMURAL BASKETBALL &amp; BASEBALL

The scores are all in and intramural basketball season is over with the "Lakers" taking the championship (7-1) and the runner-up "The Best" finishing 6-1. In the single game elimination, "The Best" upset "The Lakers" 51-40.

The men's intramural softball season will begin this afternoon at 1:00 p.m. with the next game on Friday at the same time.

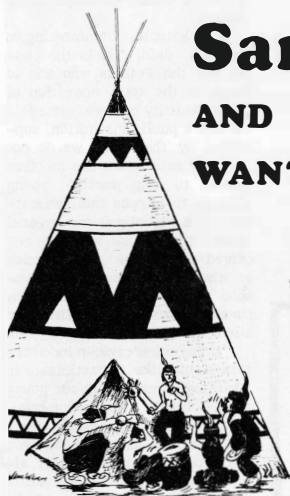

Rebecca Gilky, Fred Horowitz, Jack Schmitt  
Tina Stroud, John Welch.
